PSYCHIATRIC ADS

(Written on 16 February 1966.)

When you have your committee organized start running this ad here and there in papers: Just keep spotting it in as a small classified. Get it also in magazines. Prepare an assembly line to receive and reply.

PSYCHIATRIC DAMAGE

Anyone whose mother, wife, sister or father, brother, son, child or friend has been killed or damaged by psychiatric 'treatment' please write full particulars and any documentary evidence to the World Committee (or whatever name is used¹); (give address).

All names and confidences will be fully protected. Our whole interest is spiritual freedom. We do not treat the sick or insane but we grieve for those who have suffered.
